Summary of the paper	This paper provides an overview of the results from the <i>student satisfaction and engagement survey (2024)</i> and <i>SFC performance indicators (AY2022-23)</i> .
Resource implications	Performance indicators inform our self-evaluation and enhancement activities. Our performance directly impacts on our enrolments, ability to retain students and their success. Therefore, they relate directly to our core funded position.
Risk implications	Failure to plan and apply continuous improvement actions risks our core funding position and reputation as a provider of choice.
